AN ACT

To repeal section 143.121, RSMo, and to enact in lieu thereof two new sections relating to a tax deduction for higher education expenses.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and two new sections
2 enacted in lieu thereof, to be known as sections 143.121 and 143.1014, to read as
3 follows:

143.121. 1. The Missouri adjusted gross income of a resident individual
2 shall be the taxpayer's federal adjusted gross income subject to the modifications
3 in this section.

4 2. There shall be added to the taxpayer's federal adjusted gross income:

5 (a) The amount of any federal income tax refund received for a prior year
6 which resulted in a Missouri income tax benefit;

7 (b) Interest on certain governmental obligations excluded from federal
8 gross income by Section 103 of the Internal Revenue Code. The previous sentence
9 shall not apply to interest on obligations of the state of Missouri or any of its
10 political subdivisions or authorities and shall not apply to the interest described
11 in subdivision (a) of subsection 3 of this section. The amount added pursuant to
12 this paragraph shall be reduced by the amounts applicable to such interest that
13 would have been deductible in computing the taxable income of the taxpayer
14 except only for the application of Section 265 of the Internal Revenue Code. The
15 reduction shall only be made if it is at least five hundred dollars;

16 (c) The amount of any deduction that is included in the computation of
17 federal taxable income pursuant to Section 168 of the Internal Revenue Code as
18 amended by the Job Creation and Worker Assistance Act of 2002 to the extent the

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

19 amount deducted relates to property purchased on or after July 1, 2002, but
20 before July 1, 2003, and to the extent the amount deducted exceeds the amount
21 that would have been deductible pursuant to Section 168 of the Internal Revenue
22 Code of 1986 as in effect on January 1, 2002;

23 (d) The amount of any deduction that is included in the computation of
24 federal taxable income for net operating loss allowed by Section 172 of the
25 Internal Revenue Code of 1986, as amended, other than the deduction allowed by
26 Section 172(b)(1)(G) and Section 172(i) of the Internal Revenue Code of 1986, as
27 amended, for a net operating loss the taxpayer claims in the tax year in which the
28 net operating loss occurred or carries forward for a period of more than twenty
29 years and carries backward for more than two years. Any amount of net
30 operating loss taken against federal taxable income but disallowed for Missouri
31 income tax purposes pursuant to this paragraph after June 18, 2002, may be
32 carried forward and taken against any income on the Missouri income tax return
33 for a period of not more than twenty years from the year of the initial loss; and

34 (e) For nonresident individuals in all taxable years ending on or after
35 December 31, 2006, the amount of any property taxes paid to another state or a
36 political subdivision of another state for which a deduction was allowed on such
37 nonresident's federal return in the taxable year.

38 3. There shall be subtracted from the taxpayer's federal adjusted gross
39 income the following amounts to the extent included in federal adjusted gross
40 income:

41 (a) Interest or dividends on obligations of the United States and its
42 territories and possessions or of any authority, commission or instrumentality of
43 the United States to the extent exempt from Missouri income taxes pursuant to
44 the laws of the United States. The amount subtracted pursuant to this
45 paragraph shall be reduced by any interest on indebtedness incurred to carry the
46 described obligations or securities and by any expenses incurred in the production
47 of interest or dividend income described in this paragraph. The reduction in the
48 previous sentence shall only apply to the extent that such expenses including
49 amortizable bond premiums are deducted in determining the taxpayer's federal
50 adjusted gross income or included in the taxpayer's Missouri itemized
51 deduction. The reduction shall only be made if the expenses total at least five
52 hundred dollars;

53 (b) The portion of any gain, from the sale or other disposition of property
54 having a higher adjusted basis to the taxpayer for Missouri income tax purposes

55 than for federal income tax purposes on December 31, 1972, that does not exceed
56 such difference in basis. If a gain is considered a long-term capital gain for
57 federal income tax purposes, the modification shall be limited to one-half of such
58 portion of the gain;

59 (c) The amount necessary to prevent the taxation pursuant to this chapter
60 of any annuity or other amount of income or gain which was properly included in
61 income or gain and was taxed pursuant to the laws of Missouri for a taxable year
62 prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose
63 death the taxpayer acquired the right to receive the income or gain, or to a trust
64 or estate from which the taxpayer received the income or gain;

65 (d) Accumulation distributions received by a taxpayer as a beneficiary of
66 a trust to the extent that the same are included in federal adjusted gross income;

67 (e) The amount of any state income tax refund for a prior year which was
68 included in the federal adjusted gross income;

69 (f) The portion of capital gain specified in section 135.357, RSMo, that
70 would otherwise be included in federal adjusted gross income;

71 (g) The amount that would have been deducted in the computation of
72 federal taxable income pursuant to Section 168 of the Internal Revenue Code as
73 in effect on January 1, 2002, to the extent that amount relates to property
74 purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that
75 amount exceeds the amount actually deducted pursuant to Section 168 of the
76 Internal Revenue Code as amended by the Job Creation and Worker Assistance
77 Act of 2002;

78 (h) For all tax years beginning on or after January 1, 2005, the amount
79 of any income received for military service while the taxpayer serves in a combat
80 zone which is included in federal adjusted gross income and not otherwise
81 excluded therefrom. As used in this section, "combat zone" means any area which
82 the President of the United States by Executive Order designates as an area in
83 which armed forces of the United States are or have engaged in combat. Service
84 is performed in a combat zone only if performed on or after the date designated
85 by the President by Executive Order as the date of the commencing of combat
86 activities in such zone, and on or before the date designated by the President by
87 Executive Order as the date of the termination of combatant activities in such
88 zone; [and]

89 (i) For all tax years ending on or after July 1, 2002, with respect to
90 qualified property that is sold or otherwise disposed of during a taxable year by

91 a taxpayer and for which an addition modification was made under paragraph (c)
92 of subsection 2 of this section, the amount by which addition modification made
93 under paragraph (c) of subsection 2 of this section on qualified property has not
94 been recovered through the additional subtractions provided in paragraph (g) of
95 this subsection; **and**

96 **(j) The amount of any qualified higher education expenses**
97 **determined under section 143.1014.**

98 4. There shall be added to or subtracted from the taxpayer's federal
99 adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment
100 provided in section 143.351.

101 5. There shall be added to or subtracted from the taxpayer's federal
102 adjusted gross income the modifications provided in section 143.411.

103 6. In addition to the modifications to a taxpayer's federal adjusted gross
104 income in this section, to calculate Missouri adjusted gross income there shall be
105 subtracted from the taxpayer's federal adjusted gross income any gain recognized
106 pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended,
107 arising from compulsory or involuntary conversion of property as a result of
108 condemnation or the imminence thereof.

109 7. (1) As used in this subsection, "qualified health insurance premium"
110 means the amount paid during the tax year by such taxpayer for any insurance
111 policy primarily providing health care coverage for the taxpayer, the taxpayer's
112 spouse, or the taxpayer's dependents.

113 (2) In addition to the subtractions in subsection 3 of this section, one
114 hundred percent of the amount of qualified health insurance premiums shall be
115 subtracted from the taxpayer's federal adjusted gross income to the extent the
116 amount paid for such premiums is included in federal taxable income. The
117 taxpayer shall provide the department of revenue with proof of the amount of
118 qualified health insurance premiums paid.

143.1014. 1. This section shall be known and may be cited as the
2 **"Higher Education Expenses Deduction".**

3 **2. As used in this section, the following terms mean:**

4 **(1) "Department", the department of revenue;**

5 **(2) "Director", the director of the department of revenue;**

6 **(3) "Higher education institution", an institution that meets the**
7 **standards for accreditation as determined by either the North Central**
8 **Association of Colleges and Secondary Schools or by other accrediting**

9 bodies recognized by the United States Department of Education or by
10 utilizing accreditation standards applicable to non-degree granting
11 institutions as established by the coordinating board for higher
12 education.

13 (4) "Tax liability", the tax due under chapter 143, other than
14 taxes withheld under sections 143.191 to 143.265; and

15 (5) "Taxpayer", any student filing income tax returns or a
16 taxpayer who claims a student as a dependent.

17 3. If any taxpayer with a federal adjusted gross income of less
18 than two hundred thousand dollars incurs tuition or fee expenses for
19 enrollment of at least half time at a higher education institution, such
20 taxpayer shall subtract from such taxpayer's federal adjusted gross
21 income an amount equal to one hundred percent of such costs the
22 taxpayer paid during the taxable year.

23 4. The department may promulgate such rules or regulations as
24 are necessary to administer the provisions of this section. Any rule or
25 portion of a rule, as that term is defined in section 536.010, RSMo, that
26 is created under the authority delegated in this section shall become
27 effective only if it complies with and is subject to all of the provisions
28 of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This
29 section and chapter 536, RSMo, are nonseverable and if any of the
30 powers vested with the general assembly pursuant to chapter 536,
31 RSMo, to review, to delay the effective date, or to disapprove and annul
32 a rule are subsequently held unconstitutional, then the grant of
33 rulemaking authority and any rule proposed or adopted after August
34 28, 2008, shall be invalid and void.

35 5. The provisions of this section shall apply to all tax years
36 beginning on or after January 1, 2009.
